VISITORS TO THE SCHOOLS

The School Board encourages visits by parents and the community to all our schools. For the protection of the children, employees, and property, we have a visitor's policy in place.

To protect the security of District students, staff, and the learning environment at schools, all visitors, including parents/guardians, shall conform to the following guidelines:

1. All visitors shall report to the main administrative office and provide a government-issued form of identification that includes the person's photograph, name, and date of birth. This shall apply to parents, Board members, volunteers, social service workers, invited visitors, speakers, and maintenance persons not employed by the district, vendors, and representatives of the news media, former students, and any other visitors.
2. Visitors shall wear a visitor's sticker provided by the office, in a prominent place.
3. Visits to individual classrooms during instructional time shall be permitted only with the principal's and teacher's prior approval. A parent can suggest a date and time for a visit, but a teacher shall have the prerogative to request another date because of possible interference with classroom activities. Such visits shall be permitted if:
 - A. Their duration or frequency does not interfere with the delivery of instruction or disrupts the normal school environment.
 - B. The visitor must abide to the same classroom rules as the students in the classroom.
 - C. Phones, cameras, recorders are turned off and out of sight.
 - D. The requested visit cannot involve third parties (other than school officials, parents, guardians, or contracted specialists) observing a classroom while occupied with students.
 - E. Students in designated special education settings are protected by FERPA. Observations of teaching in that environment can be done in one-on-one settings or remotely to preserve the confidentiality of other students.
4. No visitor shall disseminate information to students and staff without prior approval from the Superintendent
5. No visitor may solicit, proselytize, or recruit for fundraising activities, religious groups, youth groups, or political causes.
6. Media representatives shall arrange visits to school campuses with the District Office.
7. Visitors are expected to wear appropriate attire while visiting District schools. Such attire should generally conform to the dress code outlined in the Student Handbook.
8. Any visitor who wishes to establish a regular presence in District schools and/or interact directly with students is encouraged to become a volunteer and follow all volunteer procedures including consent to a criminal background check.
