South Park School District

October 4, 2019

South Park School District Families:

The South Park School District has been notified of a police investigation following last evening's community bonfire at Evans Park. At this time, the district is unable to release any information due to the active investigation by the South Park Township Police Department and for privacy reasons. We encourage anyone who may be able to provide officers with information to contact the South Park Township Police Department. If and when we are able to make a public comment, we will do so. Counselors are available for our students who would like to speak with them today.

Sincerely,

Wayne P. Gdovic
Superintendent of Schools
