

Academic Course Schedule Request

Student academic courses have been assigned based on teacher recommendations, classroom performance, and student test scores on the MAP and Milestones assessments. Students and parents may request a change in an academic course by completing this form. ***The deadline to drop an AP or Honors course is June 1, 2022.*** Please turn this request in to the school counseling office.

Before requesting a change please consider:

- Students who take academic courses beyond the minimum required in English, Math, Science and Social Studies score higher on the ACT and are more prepared for college.
- Research shows that students who take AP classes are more prepared for success in college.
- The best way to prepare for success in college is to take Honors/AP level courses in high school.
- HHS offers smaller and more specialized English and Math classes to help students with academic struggles in those areas.

Math, English, Science or Social Studies Course(s) to drop:

Math, English, Science or Social Studies Course(s) to add:

Student First Name: _____ Last Name: _____

Parent Signature: _____ Date: _____
