Navigating the Site

NPHS Course Selection

Welcome to the home of course selection for NPHS. This site will provide you with valuable "How-To" tutorials, applications, forms, and course selection videos. There is also a helpful FAQ's page to answer your questions.

Finally, the Program of Studies will give you specific course information that will be quite helpful and will go a long way in ensuring that your course selection experience is a smooth one. The entire course selection process will be done online, which includes current 9th-grade students at each respective middle school through all current 11th-grade students at NPHS and Northbridge. Here you will find all of the information needed to successfully make course selections for next school year. The course selection window will occur from 1/27/2023 through 2/6/2023, and you will be able to access this through the Student Portal at the appropriate time. After that window, students have the opportunity to meet with their guidance counselor and initiate changes through April 28, 2023. After that, NO STUDENT-INITIATED CHANGES ARE PERMITTED.

Important date- Thursday, January 26th 2023 is Course Information Night.
