Tentative Make-Up Schedule for Missed Days

Inclement weather days are now built into the calendar, as the Rolla 31 School district far exceeds the state minimum number of required hours. No days are expected to be added to the end of the calendar due to inclement weather.

School Closings & Cancellations

Rolla Public Schools takes advantage of every resource available to allow parents and employees to find out whether or not school will be in session. As soon as a decision is made, an announcement is posted on the District’s website, and a message is recorded on the District’s voice mail (573-458-0101).

In addition, the district will use School Messenger to initiate automated phone calls and send text messages to notify families of closings and cancellations. To sign up and receive messages and text alerts for school messenger text “Yes” to 67587.

GENERAL INFORMATION

Rights and Responsibilities of Pupils

The right of due process will be given to all pupils involved in all situations. Students will have knowledge of all charges against them and have an opportunity to have their side of a controversy considered.

The school will establish reasonable rules and guidelines to insure the safety and well-being of all pupils and to provide a desirable educational setting. The students are expected to demonstrate responsible behavior with regard for the total school setting as well as the rights of all other persons.

Students should be aware that supervision of conduct is a responsibility of the teaching staff. Failure on the part of the students to follow instructions of any staff member may result in suspension of the student.

Transfer of School Records

Due to the Safe Schools Act, any public elementary or secondary school must comply with the request to forward a copy of a transferring pupil’s academic and discipline records to a new school. All discipline referrals or records are now considered to be a part of the student’s records.

Accident Report

When students are involved in an accident during school time or while participating in a school activity, the supervising teacher is required to complete an accident report form, which may be obtained in the principal’s office. When a student is involved in an accident during an unsupervised time, the student must report the accident to the principal’s office.

Deliveries

To insure the safety and wellbeing of students, outside deliveries of any kind are not permitted. This includes items such as, but not limited to, food, flowers, balloons etc. Parents or persons listed as emergency contacts may drop off items such as lunches, backpacks, books etc. at the main office or attendance office.

Building Use

The classroom building will open at 7:30 a.m. daily with teachers available in their rooms after 7:40 a.m. School is over at 3:10 p.m. Students will leave the building by 3:30 p.m. unless there is an organized activity with teacher supervision.
Use of the building at night for meetings or practices must be approved by the principal. Any time the building is being used by students, a faculty member or members must be present to supervise.

Students must not be dropped off or left at school during unsupervised periods.

**Medication Policy**

- All medications must be checked in with the school nurse before they can be taken at school. The nurse is available to administer medications to high school students if requested by a parent/guardian. A written permission slip is required.
- High school students may self-administer their own medications after the nurse receives written parental permission (see the nurse for the necessary form)
- Students are not allowed, under any circumstances, to share medications with another student. This includes both prescription and non-prescription medications.

The statements listed above are not all inclusive. If you have any questions regarding administering medication at school, please talk to the school nurse (458-0140, extension 14020) or obtain a complete policy statement from the nurse’s office.

**Insurance**

The Rolla school system does not carry any health or accident insurance on students. If you participate in a sport, you must show evidence of being insured before you will be permitted to participate in any camp, practice, or contest.

The school does not purchase insurance coverage for students. You can enroll your child in the low cost group accident insurance program being offered in cooperation with your school. If you already have insurance, this plan may help you pay some of the hospital, doctor, or dental bills that your own insurance doesn’t cover, such as doctor’s office calls, therapy, and dental treatment.

There are two different plans. There are specific areas both policies will not cover; therefore, it is important you read and understand the exclusions. You may pick up an insurance application in the activity office.

**Electronic Resource Policy**

Rolla High School provides electronic resources for the benefit of students. The district follows policies regarding use of electronics to help students have positive experiences. There is no expectation of student privacy when using district computers or other technology.

For the complete district policy, please see the following websites:

**Locks and Lockers**

Each student may be assigned a hall locker. All students taking P.E. will be assigned a P.E. locker. Students are expected to keep their assigned locker and not switch with classmates. STUDENTS ARE RESPONSIBLE FOR THE CONTENTS OF THEIR LOCKERS AND FOR ANY DAMAGE TO THE LOCK OR LOCKER.

Locker combinations will be given out ONLY to the person assigned to the locker. Lockers should be kept locked at all times. **Lockers or locks that do not operate properly should be reported to an assistant principal or his/her secretary.**

Each year money and other valuables are stolen from lockers; therefore, do not leave large sums of money, cameras, calculators, or other valuables in lockers. Do not share your combination with others. Valuables needed at school
may be checked in the attendance office. In cases where articles are missing from the locker, this should be reported to the assistant principal or his/her secretary.

Interrogations and Searches

The right to inspect a student’s school locker or articles carried upon their persons (e.g. backpacks, purses, cell phones) is inherent in the authority granted school boards and administrators and must be exercised so as to assure parents that the school, in exercising its *in loco parentis* relationship with their children, will employ every safeguard to protect the well-being of those children. The exercise of that authority places unusual demands upon the judgment of school officials whose primary purpose is to provide the best teaching and learning environment for children. The search of school lockers, and in some instances students, is necessary to assist in preserving discipline and good order and to promote the safety and security of persons and their property within the area of educational responsibility. Students suspected of being in violation of school policy may be requested to submit to voluntary personal searches. Students who refuse to submit to a voluntary search may be referred to appropriate law enforcement authorities if such action is deemed necessary by the principal or his designee. Refusal to cooperate may be considered an admission of guilt.

School lockers and desks are the property of the Board of Education and are provided for the convenience of students and, as such, are subject to periodic inspection without notice.

If at any time there exists reasonable suspicion to believe that a student is in violation of school policy, the principal or his designee shall have the right to search, without notice, that student’s locker or person. Drug sniffing dogs may be used.

In addition, the school principal or his designee shall from time to time conduct random searches of school lockers. If any illegal article is found, school administration shall call on the Rolla Police Department for assistance in the investigation.

Any student found to be in violation of school policy shall be subject to disciplinary actions in accordance with the provisions of school regulations.

Sexual Harassment of Students

Sexual harassment of students of either sex, by employees, or other students of the opposite or same sex is strictly prohibited in the Rolla Public Schools. For purposes of sexual harassment and sexual discrimination only, an employee includes any person employed by the district, and any student teacher, intern, or school volunteer. A student is any person enrolled in the school district or in district instructional programs. Sexual harassment is defined as sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature made by a member of the school staff to a student or when made by any student to another student when:

a. Submission to such conduct is made either explicitly or implicitly a term or condition of a student’s academic status or progress; or
b. Submission to or rejection of such conduct by a student is used as the basis for evaluating the student’s performance within a course of study or other school related activity; or
c. Such conduct has the purpose or effect of interfering with a student’s educational performance or creating an intimidating, hostile or offensive educational environment; or
d. Such conduct has the effect of favoring another student.

Whether a student voluntarily submits to sexual advances or requests is irrelevant for purposes of this policy. Sexual harassment of a student by an employee or another student may include such things as sexually oriented jokes, remarks, cartoons, pictures, or letters; pressure for sexual activity whether written, verbal or through physical gestures; and physical contact such as patting or pinching.

Students who believe they have been victims of or have witnessed sexual harassment should report the incident(s) to any teacher, counselor or school administrator. The staff member who receives the complaint shall promptly inform the administrator who is not the subject of the complaint.
Employees who witness sexual harassment against students shall immediately notify the designated administrator, or the next level administrator who is not the subject of the complaint.

There will not be adverse action taken against a person for making a complaint of sexual harassment when the complainant honestly believes sexual harassment has occurred or is occurring or for participating in or cooperating with investigation. Adverse action would include any form of intimidation, reprisal or harassment such as suspension, expulsion, termination, change in educational conditions, loss of privileges or benefits or other disciplinary action. Any individual who retaliates against any employee or student who reports, testifies, assists or participates in an investigation or hearing relating to sexual harassment complaint will be subject to discipline.

The appropriate administrator shall provide for a thorough, prompt investigation of the incident, and the investigation and written report shall be completed within a reasonable period of time. The district shall take disciplinary action where appropriate, up to and including suspension and/or expulsion of the student or suspension and/or termination of the employee, in order to ensure that further sexual harassment does not occur.

No person who is the subject of a complaint shall conduct such an investigation. If the superintendent is the subject of the complaint, an investigation will be conducted by an individual authorized by the Board. Any student found to have violated this policy by committing an act of sexual harassment or retaliating against a complainant or participant in the investigation shall be subject to disciplinary action including, but not limited to, suspension and expulsion. Confidentiality will be preserved consistent with applicable laws and the responsibility to investigate and address such complaints. If investigation of a student complaint results in reasonable cause to suspect that the student has been subject to abuse or neglect, the matter will be reported in accordance with policy, JHG, (board policy) Reporting Child Abuse. Students who believe that their complaint has not been satisfactorily resolved may utilize grievance procedure ACG (board policy) at the appropriate level.

**STUDENT DISCIPLINE**

For complete district policies regarding discipline, please see the following websites:

DUE TO SERIOUSNESS OF AN OFFENSE, ANY OR ALL OF THE LISTED CONSEQUENCES MAY BE USED AS A DISCIPLINARY ACTION FOR THAT PARTICULAR OFFENSE AND MAY RESULT IN DENIAL OF A+ FINANCIAL INCENTIVES.

**Documentation in Student’s Discipline Record**

The administration or designee will maintain all discipline records as deemed necessary for the orderly operation of the schools. In addition, any offense that constitutes a “serious violation of the district’s discipline policy” must be documented in the student’s discipline record in accordance with law. Policy JGF defines a “serious violation of the district’s discipline policy” as one or more of the following acts if committed by a student enrolled in the district:

1. Any act of school violence or violent behavior.
2. Any offense occurring on school property, on school transportation or at any school activity and required by law to be reported to law enforcement officials.
3. Any offense that results in an out-of-school suspension for more than ten school days.

**Students with Disabilities**

Removal of any pupil who is a student with a disability is subject to state and federal procedural rights as provided for in the Rolla 31 School District’s Discipline Policy.
Seminars and Lunch Detentions

There will be times when teaching and academic seminars will be used to address behaviors. These seminars are held after school and address behavioral topics such as lack of effort, responsibility, respect, and making appropriate choices.

Lunch Detention is designed to address student discipline code violations. Students will report to the designated room during their lunch period. Students must bring their own sack lunch or purchase a sack lunch from the cafeteria. No delivered outside lunches will be accepted. Use of cell phones are not permitted during lunch detention.

Teacher-Assigned Detentions/Seminars

The following policies apply at Rolla High School regarding teacher assigned detentions:

1. Students will be treated alike, regardless of their means of transportation from school.
2. IT IS THE STUDENT’S RESPONSIBILITY TO COMMUNICATE WITH HIS/HER PARENTS ABOUT ANY ASSIGNED DETENTION.
3. If the assignment of the detention is made, the student will serve the detention on a day determined by the teacher.
4. Arrangements for transportation after the detention is the responsibility of the student and his/her parents.
5. It is the responsibility of the student to serve the detention period.
6. If a student cannot stay on a given day because of family or home situation, the parents must notify the teacher who assigned the detention or seminar.
7. If the student fails to meet the detention assigned, additional discipline may be assigned.
8. All detentions will be supervised and will be held in the teacher’s classroom or assigned area.

Saturday Detention

Saturday detention is an attempt to modify unacceptable student behavior without loss of valuable classroom instruction and course credit. The administration has the discretion of assigning students Saturday detention in lieu of suspension for minor infractions. Saturday detention will be held on Saturday mornings between the hours of 8:00 a.m. and 2:00 p.m. The session will be held in an assigned room at the high school and under the supervision of a certified staff member of the Rolla School District. Transportation is the responsibility of the student. No meals will be served. The following additional rules will be observed:

1. All students will report before or at 8:00 a.m. to the assigned room and are to check in with the detention supervisor. Students reporting late may be given an additional hour of detention for every 5 minutes late up to 15 minutes. Students reporting after 8:15 a.m. will not be admitted and the student/parents will be notified of the resulting disciplinary action.
2. Failure to attend Saturday detention will result in additional disciplinary action up to and including suspension.
3. Students will be expected to bring class assignments and/or approved reading material.
4. Headphones, iPods, electronics, or technology, etc., will be allowed for educational purposes.
5. No sleeping, communication with others, unauthorized eating or drinking, and/or unacceptable behavior will be allowed. Student handbook rules will apply. Students not adhering to the rules will be sent home after parent notification is made.
6. No visitors will be allowed.
7. No telephone calls will be made without permission of the supervisor. Cell phones must be turned off, and cannot be used for games, etc.
8. A scheduled break will be given each hour.
9. Students will be dismissed each hour on the hour after completion of their assigned detention.
10. Students assigned past 12:00 p.m. will be given a 15 minute break to eat if they brought a lunch. No restaurant deliveries will be allowed.
11. Students are required to complete the assigned hours of detention. The consequence of leaving Saturday detention early will result in additional disciplinary action.
12. Cancellation of Saturday detention because of inclement weather will be announced on the radio and/or posted on the high school website.

Students will be allowed to choose one of two choices of Saturday detention dates they will be assigned. This will be done at the time of the administrator/student conference. Dates will not be changed unless there is an emergency and a parent/administrator conference is held. Employment, family trips, appointments, etc., are not reasons to miss or reassign a detention.

In-School Suspension

The In-School Suspension program (ISS) is designed to address student discipline code violations that are not otherwise appropriately addressed by detention or out-of-school suspension. ISS will serve the following purposes:

- Reduce the number of students suspended out of school
- Reduce the dropout rate
- Improve the attendance rate

REFERRALS: Students are assigned to ISS by the assistant principal or principal.

REMOVAL/FAILURE: Students who are removed or fail to serve ISS will receive disciplinary action. This action may include the fulfilling of the remaining time requirement up to out-of-school suspension. Removal from ISS may include but is not limited to the following reasons:

- Sleeping
- Refusal to work
- Disruptive behavior (talking, noises, profanity, etc.)
- Defiance of authority
- Other violations listed in the discipline code

Phones are not allowed in ISS. Students must bring their own sack lunch or purchase a sack lunch through the cafeteria. Food deliveries are not allowed. Work not completed in ISS may result in a zero.

Out-Of-School Suspension

A student may temporarily be suspended from school for major disciplinary problems as determined by the principal or assistant principal. Students are not permitted to attend school functions or be on any Rolla Public Schools campus during their out of school suspension, including after school and weekend events. This includes students attending ASL (alternative suspension location).

The principal or assistant principal will work with students and parents regarding suspension. Students suspended from school are encouraged to keep up with class work but will not be allowed credit for work completed while suspended from school.

Failure to meet conditions of suspension-Coming within 1000 feet of any public school in the district while on suspension for an offense that requires reporting to law enforcement or for an act of school violence or drug-related activity defined by district policy as a serious violation of the district’s discipline policy.

In determining whether to suspend a student, consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether the student’s presence within 1000 feet of the school is disruptive to the educational process or undermines the effectiveness of the school disciplinary policy.

First offense: Verbal warning, detention, ISS, up to 180 days out-of-school suspension or expulsion
Subsequent offense: Verbal warning, detention, up to 180 days out-of-school suspension or expulsion
Alternative Suspension Location (ASL)

Students may be given the opportunity to serve their suspension at the District Alternative Suspension Location (ASL) located at the Rolla Technical Center. Students are required to complete all work while in this program and in return are eligible to receive 100% credit for their work. Parents who do not choose to send his/her student or students choosing not to attend ASL will not be eligible to receive credit for work completed during the suspension period.

Students are required to purchase a parking permit before driving to school. Parking stickers are to be placed on the right corner of the rear window. In accordance with Rolla School Board Policy JFG, all vehicles parked on school property are subject to random searches, which may involve the use of drug dogs.

The student parking lot is to ONLY be used to park your vehicle. Students are prohibited from gathering, visiting, or eating lunch on the student parking lot. Any vehicle parked on the RHS parking lot may be searched in the event there is reasonable suspicion that drugs, alcohol, weapons, explosive devices, or other illegal contraband may be present. Dress and grooming are, to a large extent, determined by individual students and their parents. However, there will be times when the mode of dress of an individual student will be subject to question by school authorities. When faculty members or administrators feel that a student’s manner of dress serves as a potential disruptive influence to the school program or might be of embarrassment to individual students or teachers, they will hold a private conference with the student and counsel him/her privately regarding the inappropriateness of his/her attire.
The following rules regarding student dress are to be observed at Rolla High School:

1. Dress, personal appearance, and grooming must be clean and conform with appropriate health, safety, and sanitation standards.

2. Student’s dress, personal appearance, and grooming must not materially disrupt or detract from the educational process or constitute a threat to the health or safety of the students or others.

A student may be sent home in order to do so. Similarly, a student whose personal appearance or grooming fails to comply with these regulations will be required to bring such personal appearance or grooming into compliance. Regulations for Bus Trips Involving School Groups

1. School-sponsored field trips are for Rolla High School students only. Non-RHS students are not permitted to ride Rolla High School District school buses and are not to be housed with Rolla High School students.

2. Students who ride a bus to attend and/or participate in any off-campus school activity will be expected to return on the bus. If the student is to return home with parent(s), the sponsor needs prior written approval from the parent(s). Students will not be released to ride home with other relatives or friends.

3. Any student who participates in a school-sponsored trip must have a completed and signed travel release form. A scanned copy is provided to the principal’s office and the original copy should be with the sponsor on the bus in the event care would be needed for an individual student. If students do not bring a completed travel release form, they will not be permitted to leave on the bus for a school trip. The travel release form is intended to inform parents of a student’s departure from school and to provide the sponsor with the necessary information in case of an emergency. Overnight trips require an overnight travel permission slip.

4. Students may be charged a price relative to the mileage. The sponsor will determine the exact trip price.

5. At least one RPS faculty/staff member will be on each bus. Any non-faculty sponsor must be approved by the principal or superintendent well in advance of any trip.

6. Sponsors will be in charge of the bus trip and its passengers until the bus arrives back at school after the activity.

7. The sponsor will have a list of all passengers. After the activity, the sponsor will check to see that all passengers are accounted for before the bus departs.

8. The sponsor is responsible for the behavior of students on any school-sponsored bus trip. The sponsor does have the authority to stop any violation at the time it occurs. These violations should be reported to the assistant principal upon return. Disciplinary action will be taken if deemed necessary.

Rules Governing Social Functions

1. Only guests who have completed the Social Function Release Form and receive administrative approval will be allowed to attend school dances, i.e. Prom, Homecoming, and court warming.

2. Non-school students’ attendance at RHS social functions is a privilege not a right. Therefore, the administration has the right to deny admittance to any or all non-school guests.
3. Guests will observe the same high standards of social conduct expected of the student body.
4. STUDENTS AND/OR GUESTS LEAVING THE EVENT WILL NOT BE ALLOWED TO RETURN.
5. Alcoholic beverages and any other illegal substances will not be allowed on school property or at school functions.
6. The same rules and regulations that apply during the normal school day are applicable to all school activities.
7. Guests who will be 21 years of age or older at the time of the social function are ineligible to attend.

ATTENDANCE INFORMATION

High School Attendance Policy

This policy pertains to all students enrolled in Rolla High School and other students taking high school classes, except those students with an active federally required Individualized Educational Plan (IEP) who are exempted in the IEP. Regular school attendance is required by Missouri law and is essential to the academic performance of each student. Although students who have been absent can make up written exercises and some tests, no effective method exists to compensate for missed lectures, classroom discussions, teacher assistance, or teacher explanation.

The purpose of this policy is to promote regular class attendance, to maximize each student’s opportunity to receive the full benefits of the education offered by the Rolla School District, and to encourage students to assume responsibility for their conduct.

Steps to Follow When Absent From School

Parent/guardian should contact the Attendance Office to report student’s absence by 9:00 a.m., if at all possible, the morning of the absence at (573) 458-0140, ext. 14016. If the attendance secretary is on another line, it is requested that a message be left on the voice mail. All messages are given prompt attention. Any homework requests for students missing two or more days of attendance can be made at this time also. Students will be permitted a maximum of eight (8) absences per class per semester. A student who accrues nine (9) absences will automatically forfeit credit for the class. (See appeal process below.) A student will be considered absent if he or she misses more than twenty (20) consecutive minutes of class time. College visits, medical appointments, military screening and out-of-school suspension days are counted as absences and accrue toward the eight (8) day absence limit. Attending the Alternative Suspension does NOT count toward the 8 day limit.

Known doctor, dental, and family appointments should be phoned in prior to the day the student is to meet the appointment. A student must sign out before leaving school and sign in upon returning to school. Documentation of absence should be turned in to the attendance office upon return.

If it is impossible to call, a parent/guardian may email the attendance secretary. If no parental contact is made within two (2) days of the absence, the absence will be considered unverified which may result in disciplinary action being taken.

When students are absent (10) consecutive school days with no school contact, they will be dropped from school rosters.

Procedures For Leaving School Grounds

Once a student arrives and is on school property (including all parking lots), that student is not to leave the school grounds without permission from the principal or a designated representative. Students who become ill or in need of first aid should report to the attendance office, nurse’s office, or a principal’s office. Ill or injured students will receive appropriate medical attention. Parents will be notified in circumstances where needed. UNDER NO CIRCUMSTANCES SHOULD STUDENTS LEAVE SCHOOL WITHOUT PROPERLY CHECKING OUT. THOSE NOT FOLLOWING THIS POLICY WILL BE CONSIDERED TRUANT. When returning to school after having been properly checked out, students should report to the attendance office for an admission slip before going to class.
Student Dismissal Precautions

The Rolla Public School district is legally responsible for the safety of its students during the school day. Therefore, each building principal will establish procedures to validate requests for early dismissal, to assure that students are released only for proper reasons, and only to authorized person(s).

Staff members shall not excuse any student from school prior to the end of the school day, or into any person’s custody without the direct prior approval and knowledge of the building principal, or his/her designee.

In keeping with these precautions, the following procedures will be adhered to:

- The building principal or designee shall not excuse a student before the end of the school day without a request for early dismissal by the student’s parent or guardian, except in cases where law enforcement authorities legally intervene.
- Telephone requests for early dismissal of a student shall be honored only if the caller can be positively identified as the student’s parent, guardian, or emergency contact.

Additional precautions may be taken by the school administration, appropriate to the age of students, and as needs arise. Parents shall provide documentation concerning parental rights, including divorce decrees and restraining orders, if any.

Notice And Make-Up Work

The parent or guardian of each student who is absent must notify the attendance office of the absence and the reason for the absence. Failure to do so will result in the absence being deemed a truancy.

If a student will be absent from school for two or more days, the parent or guardian is encouraged to request that assignments be collected for pick up by the parent or guardian. Requests must be received by 9:00 a.m. the day work is to be picked up. Students are encouraged to check his/her Google Classroom for up-to-date homework and assignments.

Credit for make-up work is permitted for all absences except out-of-school suspensions (see ASL policy for exceptions). When absences are anticipated, such as field trips, sporting events, etc., the student is to contact his/her teacher(s) so that the student may make arrangements to complete work that will be missed. It is the student’s responsibility to inform the teacher that he/she will be absent and to request any and all make-up work. For extended absences such as family trips, family emergencies, etc., students are required to complete an extended absence leave form obtained from his/her administrator. Approved extended absences are still counted toward the 8 day absence limit.

Once the student has returned to class, all make-up and alternative assignments must be completed within the number of school days equal to or less than the number of school days the student has been absent. Example: If the student is absent two days and returns on Tuesday, the 18th day of the month, then the student will have no more than two days to complete and turn in make-up work, which will be due on Thursday, the 20th day of the month.

However, notwithstanding the provisions of the preceding paragraph, no student will be permitted to take more than one week (seven days following the date upon which the student returns to class) to make-up work without special permission of the teacher. Example: If a student misses eight days of class and returns to school on Wednesday, the 19th day of the month, the student must complete and turn in all make-up work on or before Wednesday, the 26th day of the month, unless the student receives special permission from the teacher.

Family Trips

If a student wishes to get make-up work prior to his/her absence, teachers must be given two days advance notice. Students should pick up, fill out and return the extended leave form from/to the assistant principal’s office. Family trips do count as absences toward the 8-day attendance policy and may be subject to loss of credit. Trips occurring during finals require a completed request for early final form available in the assistant principals’ offices.
**Student College Days**

We recognize that it is necessary for students to visit colleges from time to time as they prepare to continue their education. STUDENTS WHO WISH TO VISIT COLLEGES SHOULD REQUEST A COLLEGE DAY VISIT FORM IN THE COUNSELING CENTER BEFORE MAKING THE COLLEGE VISIT. Student college days do count as absences toward the 8-day attendance policy.

**Excessive Absences**

Students will be permitted a maximum of eight (8) absences per class per semester. A student who accrues nine (9) absences will automatically forfeit credit for the class. (See appeal process below.) A student will be considered absent if he or she misses more than twenty (20) consecutive minutes of class time. College visits, medical appointments, military screening and out-of-school suspension days are counted as absences and accrue toward the eight (8) day absence limit. Attending the Alternative Suspension does NOT count toward the 8 day limit.

Exemplary attendance does not ensure credit in a class. Each student is responsible for fulfilling the academic requirements for earning credit.

**Procedures**

Students will be given a student handbook upon enrollment in Rolla High School. The handbook shall contain the written attendance policy.

The attendance office will record each student’s absence.

When students have accrued six (6) absences in a class period during the semester, a computer generated letter will be sent to the parent or guardian notifying them of the student’s possible loss of credit. However, if the parents cannot be reached, the school administration will enforce the policy as written. Parents are also encouraged to monitor their child’s attendance on the Parent Portal. Parents can sign up for Parent Portal by contacting the A-Plus secretary at ext. 14049.

When any student has accrued nine (9) absences in a class during the semester, the student will automatically forfeit credit for the class.

The school will notify the parent or guardian that the student has accrued nine (9) absences in a class and has forfeited credit for the class. Such notification shall include an Appeal Form. (See process below.)

Students hitting nine (9) absences in additional hours will not receive an additional letter. Students and parents are encouraged to check attendance using the Student & Parent Portal or call the Attendance Office at 573-458-0140.

A student who has accrued nine absences retains the option of receiving a grade of N (No grade, no credit). The student must maintain a passing grade during the grading period to receive a grade of N. If the student has not maintained a passing grade during the semester, the student will receive an F (failure).

A student will not be denied an education. The student will be denied credit for the class as a result of having missed a substantial portion of the instruction and work provided during the semester. Students that have been denied credit should make an appointment to visit with his/her counselor regarding opportunities for credit recovery or call the counseling center.

**Exceptions**

Approved, school sponsored, out-of-school activities (field trips, sporting events, attendance at the ASL (alternative suspension location), etc.) will not be counted as absences for purposes of the excessive absence policy.
**Appeal Process**

The Attendance Policy Committee shall meet to consider appeals regarding exceptions to the excessive absence policy and the denial of credit pursuant to such policy. The committee shall include, but is not limited to, the following: a principal, a counselor, three teachers, and the school nurse. Other persons may be designated to serve as deemed appropriate.

Students who, pursuant to the excessive absence policy, have accrued nine (9) absences, or who anticipate accruing nine (9) or more absences attributable to illness, a chronic condition, or other good cause, may appeal to the Attendance Policy Committee for the purpose of requesting one or more of the following:

a. an exception to the excessive absence policy for unavoidable absence due to illness or other good cause;  
b. an extension of the number of absences that shall accrue before credit will be denied; and/or  
c. other appropriate relief within the contents of the excessive absence policy

The committee will consider all the facts under the circumstances of each case in deciding whether to grant or deny the relief requested. Relevant factors may include, but are not limited to the following:

a. the reason(s) for the accrued or anticipated absences;  
b. the extent to which the reasons for each absence were documented at the time the absence occurred and/or at the time of appeal;  
c. the distribution of absences during the semester, i.e., whether scattered throughout the semester or occurring as a single block;  
d. the duration of each period of absence;  
e. the pattern of attendance prior to the accrual of absences at issue;  
f. whether all class work has been satisfactorily completed; and  
g. the extent to which class objectives have been met

The appeal may be submitted on the Appeal Form provided to the parent or in other written or typed form that provides the following information:

a. date of appeal;  
b. a complete explanation of the reason(s) why the appeal should be granted;  
c. any appropriate documentation;  
d. signature of the parent or guardian

Within one (1) week of the Appeal Committee’s final decision, the student or parents will be notified.

**ACADEMIC INFORMATION**

**Guidelines For Repeating A Class For Credit**

Rolla High School students may repeat a class for credit provided they have earned a D or F the first time they were enrolled in the class. However, while attending grades 9, 10, 11, and 12 at Rolla High School, a student may repeat only two classes for credit. The grades from both the first and second enrollment in the class will be recorded on the transcript and counted into the grade point average. Counselors should encourage only those students who have a genuine desire to improve themselves to repeat a class. The student may only count the credit from the repeated class one time toward graduation requirements. It will not be a policy of Rolla High School to repeat classes simply to place someone. A student’s academic interest will be the first concern in making any decision in this regard. In a yearlong course, students who receive a C or above one semester and a D or F the other semester may repeat the course. Credit will be awarded for both semesters; however, the student will receive a P (credit, no grade) for the semester in which a C or above was received the first time. A grade and credit will be recorded for the semester a D or F was received.
Schedule Changes

To change a class, students must fill out a request sheet and turn it in to the counseling center. For 1st semester changes, this must be done during the first five (5) days of 1st semester. For 2nd semester changes, the request and form must be turned in prior to the 1st day of 1st semester finals. If approved, the change will be made by the counselor. ONLY EDUCATIONALLY LEGITIMATE CHANGES WILL BE APPROVED. With the approval of the principal, a class may be dropped during the second through fourth week of each semester, with no class being added to replace the dropped class. A student dropping a class during this time period will receive an N for classes dropped and will become a secretary to a teacher willing to accept the student or be enrolled in credit recovery. A student who drops a class after the four week deadline will receive an F for that class. All materials must be returned to the class being dropped before the student will be allowed to complete the drop. Any exception to the above stated policy would only be considered in an extreme emergency determined by the principal. Approval for a class change must be received by the parent/guardian, counselor, and the principal. Changes in a student’s schedule are only made for educationally legitimate reasons. They will not be made to be with a friend, to switch a teacher, change lunch sessions, etc.

NOTE: Students must be enrolled in 6 credit bearing courses to be eligible for participation in MSHSAA activities.

Classification and Promotion Of Students

Classification and promotion of students in Rolla High School is done on an annual basis. Those who have successfully completed the 8th grade in an accredited school will be classified as 9th graders.

Withdrawals

When a student finds it necessary to withdraw from school, a parent should contact his/her counselor. All fines must be paid and all property belonging to the school returned before transcripts will be forwarded.

Pass – Fail Policy

The purpose of the pass-fail option is to encourage students to enroll in a course which they hesitate to take because it might lower their grade point average. (Students enrolling in a course on a pass-fail basis should be aware that not all universities and colleges accept pass-fail grades.) The pass-fail program will be administered as follows:

1. Juniors and seniors may take one course per semester on a pass-fail basis.
2. Sequential courses will be offered only to seniors on a pass-fail basis.
3. The student must indicate his/her desire to take a course on a pass-fail basis during the first two weeks of the semester. In a yearlong course the student and the teacher will again have the two week option at the beginning of the second semester. Students cannot change to pass-fail from the normal grading procedure after the initial two week period.
4. Parental approval must be obtained before a student may apply for a course on a pass-fail basis.
5. The teacher must approve of a student taking a course for pass-fail credit.

6. Prerequisites will be the same for students taking the course for pass-fail credit as for those taking it for a letter grade.

7. Student participation in the course will be the same for all students. The pass-fail students will be graded as other students. The quarter grades will be recorded as they are. The semester grades will be recorded as pass-fail for those who elect the course on this basis. Students earning passing grades will receive credit only.

8. A passing grade will not affect the student’s grade point average.

9. An “F” on a pass-fail basis will be figured in the grade point average.

10. Teachers of special programs desiring to use the pass-fail option may request that exceptions be made to the above guidelines. All requests should be made to the appropriate curriculum committee.

11. If more than one teacher is teaching the same subject, all must agree if the course is to be offered on a pass-fail basis.

**Part-Time Students**

The following procedures are to be followed:

- Part-time students who do not have a scheduled 1st period are not to arrive at RHS more than 10 minutes prior to the start of class.

- Part-time students are required to leave campus immediately after the last scheduled class. Any circumstances which prohibit these guidelines from being followed must meet the approval of a building administrator.

- Part-time students will not be considered in recognizing perfect attendance.

**College Placement/Dual Enrollment**

It is the belief of the Board that a student who is capable of and wishes to do college-level work while in high school should be permitted to do so and be given assistance in enrolling in advanced courses.

Any qualifying student whose admission to a college-level course is endorsed by his/her counselor may enroll at a fully accredited institution of higher education.

During the school year, dual enrollment at a college and Rolla High School (RHS) can involve no less than one (1) hour in-class enrollment at Rolla High School. The remainder of the school day may be filled with enrollment at college. A student may elect to count the college course as both high school and college credit. Day or evening classes may be counted for both high school and college credit. During the summer session, there is no in-class enrollment requirement at Rolla High School in order to earn dual credit.

It is the responsibility of the student enrolled in dual enrollment courses to have the earned credit transferred to Rolla High School. The student will declare at the beginning of each semester the number of college credits he/she wishes to count as dual enrollment. The college courses, when successfully completed, will be counted on the high school transcript. The student will pay course fees and no transportation will be provided.

High school credit will be awarded as follows:

1. A two-hour semester college or university course will equate to one-fourth unit of high school credit.
2. A three-hour semester college or university course will equate to one-half unit of high school credit.
3. A four- or five-hour semester college or university course will equate to one unit of high school credit.
4. A student may earn an unlimited number of high school credits through a dual-enrolled college program. Specific high school course requirements are listed in the course description handbook and on the Secondary Selection of Studies form. There are courses that must be taken only at the high school.

5. Credit earned in this way will be applied toward high school graduation. The grades earned in a dual-enrolled class will be recorded on the high school transcript and will be counted in the grade point average calculation.

All students who are dual enrolled must report to the main office and complete a special travel form. During the time block that the student is not enrolled at Rolla High School, he/she is to spend any free time studying and preparing at some location other than the high school campus.

**Dual Enrollment, Summer School, & Academic Eligibility For Activities**

Dual enrollment in college classes for high school credit: A student who is dually enrolled in college classes being taken off campus with credit being placed on the high school transcript and high school classes, may only count up to two full credits earned from the college classes toward academic eligibility and must be enrolled in and regularly attending the remainder of classes at the high school.

Dual enrollment in college classes for no high school credit: A student who is dually enrolled in college and high school classes, but who does not receive high school credit on his/her high school transcript for the college work, may have college hours earned during a regular semester count up to a maximum of 1 unit of credit toward high school academic eligibility and must be enrolled in and regularly attending the remainder of classes at the high school.

The student is responsible for providing the official transcript to the high school counseling center and to the activities office in order to verify the credit that was earned. All college credit must be earned prior to the end of the high school semester grading period to count toward academic eligibility.

Summer school dual-enrolled credits taken off campus at a college or university cannot be included as a part of the 3.0 units of credits required to meet MSHSAA eligibility standards for the fall semester. However, up to one unit of credit taken as part of the regular Rolla High School summer school program can be applied to the 3.0 units of credit required to meet MSHSAA eligibility standards for the fall semester. Only courses that are required for high school graduation will meet this requirement. Electives do not meet the requirement for eligibility. Once a student has met his/her graduation requirement in a subject area, he/she may not use additional courses in that area for eligibility purposes.

Students who graduate at semester are ineligible to participate in any MSHSAA activities the following semester.

**Online Courses**

RHS offers a select number of online classes. Students interested in this option should see their counselor, assistant principal or click this link for more information: https://rolla31.org/district/departments_programs/virtual_education

**A+ Schools Program**

RHS has been selected by the Missouri DESE as an A+ school. Assuming that state funds are available, RHS graduates will be entitled to receive two years of tuition and fees at any Missouri community college or public technical school if they meet the following requirements:

1. Attend a designated A+ School for three consecutive years prior to graduation. *Seven-semester graduates must contact the A+ office to ensure that all A+ requirements have been met prior to the end of the seventh semester.*
2. Graduate from high school with a grade point average of 2.5 or higher on a 4.0 scale.
3. Have at least a 95% attendance record for grades 9 - 12.
4. Perform fifty (50) hours of unpaid academic tutoring or mentoring, where 8 hours may come from a job shadowing experience approved and set up by the A+ Coordinator.
5. Beginning with the Class of 2015, students must score proficient or advanced on the Algebra I End of Course (EOC) Assessment.
6. Maintain a record of good citizenship and avoidance of the unlawful use of drugs and/or alcohol.
7. Make a good faith effort to secure federal post-secondary student financial assistance funds (FAFSA).

To maintain financial incentives, a student must enroll at and attend on a full-time basis a Missouri public community college, vocational, or technical school and maintain a grade point average of 2.5 on a 4.0 scale for any post secondary courses.

6. How can a complaint be filed with the Department?
A complaint filed with the Department must be a written, signed statement that includes:

   b) The facts on which the statement is based and the specific requirement allegedly violated.

7. How will a complaint filed with the Department be investigated?
The investigation and complaint resolution proceedings will be completed within a time limit of forty-five calendar days. That time limit can be extended by the agreement of all parties.

   The following activities will occur in the investigation:
   a) Record. A written record of the investigation will be kept.
