

Creating a Basic Absence

There are many things you can do and see on your absence management website. But as an employee, one of the most important things is the ability to create an absence. We have made it easy for you to do this right on the home page.

Absence creation may look different for you depending on your District's settings.

In most cases, you can create an absence right from the home page under the "Create Absence" tab.

For more advanced absence scenarios, you'll want to click the **Advanced Mode** button. [Click here to learn more about Advanced Mode Absences.](#)

Select the Date (or Dates)

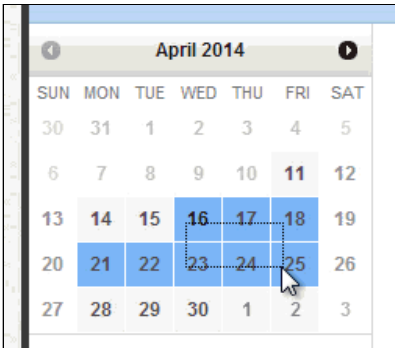

When selecting your absence date, simply click on the single day and it will be highlighted in blue.

You can also click on multiple days to create a multi-day absence. The days do not have to be consecutive.

If you've got a larger number of consecutive days you'd like to select, simply click and drag your cursor to select the days.

Entering Absence Details

Once you've chosen the date(s) of the absence, its time to enter the rest of the absence details.

✓ Create Absence

Once the absence is saved, you will see a message at the top of your screen which will include the confirmation number. The absence will also show up under the "Scheduled Absences" tab.

Congratulations! You're done entering your absence into absence management. Now, go get some coffee.
